

NOTICE OF PUBLIC MEETING

To be held by Gilead Power Corporation regarding a Proposal to Engage in a Renewable Energy Project

Project Name: Ostrander Point Wind Energy Park

Project Location: Ostrander Point Crown Land Block, South Marysburgh, Prince Edward County, Ontario

Dated at Prince Edward County **this the 10th day of** September, 2010

Gilead Power Corporation (Gilead) is planning to engage in this renewable energy project in respect of which the issuance of renewable energy approvals is required. The proposal to engage in the project and the project itself are subject to the provisions of the *Environmental Protection Act (ACT)* Part V.0.1 and Ontario Regulation 359/09 (Regulation). This notice is being distributed in accordance with section 15 of the Regulation prior to an application being submitted and assessed for completeness by the Ministry of the Environment.

Meeting Location:

DATE: November 17, 2010

TIME: 5:00 to 8:00 PM

PLACE: South Marysburgh Central Public School
2832 County Road #10, Picton, Ontario

Project Description:

Pursuant to the Act and Regulation, the facility, in respect of which the project is to be engaged in, is a Class 4 wind facility. If approved, this facility would have a total maximum nameplate capacity of 22.5 MW. The project location is described in the map below.

Documents for Public Inspection:

The Draft Project Description Report describes the project as a wind facility consisting of nine (9) GE xl 2.5 MW wind turbine generators, access roads, transformers included within each turbine, one on-site substation including transformer, and electrical collector lines. A written copy of the Draft Project Description Report will be made available for public inspection starting on September 11, 2010 at the following locations:

Prince Edward County
332 Main Street
Picton

Picton Branch Library
208 Main Street
Milford

Milford Public Library - Ann Farwell Branch
3053 County Road 10
Picton

Bloomfield Branch Library
300 Main Street
Bloomfield

Further, the applicant has obtained or prepared, as the case may be, supporting documents in order to comply with the requirements of the Act and Regulation. Written copies of the draft supporting documents will be made available for public inspection starting on September 11, 2010 to November 17, 2010 at the locations identified above and on the project website (www.gileadpower.com).
